Just a note, along with our salsa's, taco sauces and jellies we make a whole lot more stuff. We have a spicy snack line with chipotle peanuts & more. We have ranch dressing mixes; habanero, jalapeno & chipotle. We have our own chips and we also have hand blended spices and did we mention our tomato vinaigrette.

So we have enough food to go around. We can custom make you a basket or baskets. We do special order/ bulk orders and themed baskets. You order we obey!
